

INDULGENCE THERAPEUTIC MASSAGE CONSENT FORM

TECHNIQUES/DRAPING

Please be advised that our therapies sometimes and often include exposure and touching of the following areas:

- Buttocks
- Inner Thighs
- Inguinal region (junctional area between the abdomen and the thigh on either side of the pubic bone.)
- Hips
- Chest and region including partial breast tissue
- Abdominal region

I, morgan, have read and understand the above information and give my consent to the registered massage therapist of Indulgence Therapeutic Massage to treat me with the understanding that the above regions indicated above may be touched for therapeutic purposes.

I, lie, understand that at any point of the massage session, I can request my therapist to adjust/change the pressure and techniques used.
